WAR BETWEEN BULGARIA AND TURKEY INEVITABLE

Hostilities Expected Before the End of September.—No Formal Declaration.—Conflict Will Be Precipitated by Some Incident on the Frontier.—Reign of Terror.

Constantinople, Sept. 7.—War between Bulgaria and Turkey is now regarded as inevitable. It is believed even that an outbreak of hostilities will occur before the end of September. Reinforcements will be sent from Asia and will be concentrated in the Macedonia vilayet of Adrianople. It is not thought there will be any formal declaration of war in view of the Bulgarian vassal status, but some frontier incident will precipitate hostilities.

Bulgarians and Macedonians residing in Constantinople are in terror of massacre. A large number of them were arrested a few days ago as a "preventive measure" and they have not yet been released. Fear of a massacre is probably exaggerated, although in view of the present excited state of the Mussulmans the feeling is that an insignificant incident might perhaps lead to a massacre.

The terrible accounts of the conduct of the Turkish troops have not surprised European circles here, but many who have been hitherto optimistic in their views now accept the prevailing belief that Turkey is on the eve of war.

Consular advices from Salonica say that according to authentic information the insurrection in Monastir district has been practically stamped out. Bashi Bazouks assisted the regular troops in the work of repression, which is said to have been carried out with sanguinary ruthlessness, the object of the Turks being, apparently, to exterminate not only the Bulgarian inhabitants, but all the Christians, of whatever nationality.

REBELS STILL SHOW FIGHT

Some Insurrectos Continue to Give Trouble in Philippines. Death of Sutton.

Manila, Sept. 7.—Lieut. Sutton of the constabulary was murdered by a mob of native policemen at Cebu a few days ago while attempting to arrest a policeman for disobedience of orders.

His assailants were promptly arrested and jailed.

A body of scouts and constabulary combined succeeded in scattering the insurrectionists who operated a few days ago, causing trouble in Cavite province in the district fronting on Laguna bay. They had been driven out of the mountain range to which they fled for shelter when routed by the constabulary in the engagement which took place last week.

After dispersing the force they returned and captured their camp, together with a large amount of supplies and ammunition.

THE ENCAMPMENT

General Luther Hare of the Famous 33rd Here Yesterday.

General Luther Hare of the famous 33rd regiment, U. S. army, was in the city yesterday, and was the guest of General Manager D. C. Malloy and others of the Carnival board.

General Hare was here to confer with these gentlemen relative to the encampment in connection with the Carnival.

Among other things arranged was the selecting of the encampment grounds and the scene of the sham battle. The grove just south of the Micheaux home was selected as the place for the camps, and a field just beyond the Wm. Broyles home on South Sycamore was selected for the sham battle.

Both selections are very good. A large number of companies are expected.

Wants Public Hanging

George Kenney, convicted of criminal assault and given the death penalty, has expressed the wish for a public execution. His wish will most likely be granted, for there is not room in the county jail for the erection of a suitable scaffold.

Like most negro criminals of his character, Kenney wants to make a grand-stand play of the death scene.

JETT TO STAND ANOTHER TRIAL

Noted Kentucky Feudist Is Ready to Face Charge Of Assassination.

London, Ky., Sept. 7.—Curtis Jett, convicted of the assassination of J. B. Marcum at Jackson, Kentucky, was taken to Cincinnati this morning to stand trial for the assassination of Town Marshal James Cockrill. The case will be called tomorrow.

Mrs. Sterne's Funeral

Mrs. C. E. Sterne, who sustained injuries from a fall a few days ago, died at the family residence Sunday night, surrounded by her devoted husband and children.

The funeral services were conducted at the Centenary Methodist church yesterday afternoon at 4 o'clock, and a very large number of sorrowing friends came to pay their last respects to the deceased. After the choir had sung appropriate songs, Rev. Willis gave a brief sketch of the life of the lamented Mrs. Sterne. He described her noble and beautiful character and told what grand influences she had over her children who number ten, and are all living and are united with some church.

Mr. Sterne and his devoted wife had lived in Palestine about thirty years, and were among the oldest citizens of our city, and the loss of the beloved wife and mother is the first link that has been broken in their immediate family since they have been among us. Mrs. Sterne was born in 1836 and has been a devout Christian ever since she was ten years of age. She had been married fifty years, and leaves nine daughters and one son, besides a large circle of friends and relatives to mourn her loss.

The floral offerings were numerous and beautiful.

Mr. Sterne is one of the best known men in East Texas, being a pioneer, and telegrams of sympathy have come to him from many sources.

The Trinity Valley Land Co. will bring buyers from the northern states monthly. What have you to offer in the way of farm lands?
